

Human Resource Services Defined Contribution Solution

As a defined contribution plan sponsor, you're faced with myriad fiduciary, cost, quality, operational, service and employee engagement challenges.

ACS can help. A leader in HR outsourcing and benefits consulting, we provide a powerful defined contribution solution that gives you access to:

- Broad investment knowledge
- Emerging trends
- Best practices
- DC consulting and industry expertise.

Our Experience

We have a legacy of 37 years of successful deployment of flexible, client-centric defined contribution solutions and services. We pride ourselves on creating well-designed solutions to complex plan challenges, while using our experience to recommend best practices.

We customize our service delivery platform to meet the specific goals of your company and employees. Our defined contribution administration provides full access to a broad range of investments through our open fund architecture. And our system supports multiple investment choices, including:

- Mutual funds
- Collective funds
- Bank trusts
- Separately managed accounts
- Company stock
- All types of defined contribution plans.

Through Buck Consultants, an ACS Company, you gain immediate access to strategic consulting leadership that encompasses:

- DC and retirement program operations
- Compliance consulting
- Investment knowledge
- Communications expertise.

These services enable your employees to understand and embrace new service delivery models and investment lineups. Our communication campaigns will engage, educate and empower employees to save for retirement.

Human Resource Services

Our Support

Our comprehensive defined contribution plan offering includes knowledgeable customer service representatives. In addition, easy-to-use self-service Web tools enhance the employee experience. By providing access to financial guidance, they enable your employees to make informed decisions when managing their retirement plans.
