

ACS Healthcare Payer Financial Services

ACS has over four decades of experience in the financial industry with a solid track record of helping clients efficiently adopt new processes and technologies to dramatically improve their current operations. We use flexible solutions and a broad global footprint to reduce costs, and rely on proven business process re-engineering to transform your organization.

TRANSACTIONAL SERVICES

Processing financial data is labor intensive and it drains resources. With ACS' best practices and detailed workflows, your data is processed efficiently and accurately, freeing your resources to concentrate on core business functions. Including:

- Data Preparation
- Data Entry
- Payroll
- Accounts Payable & Receivable
- Expense Reporting
- Fixed Assets
- General Ledger

ANALYTICAL SERVICES

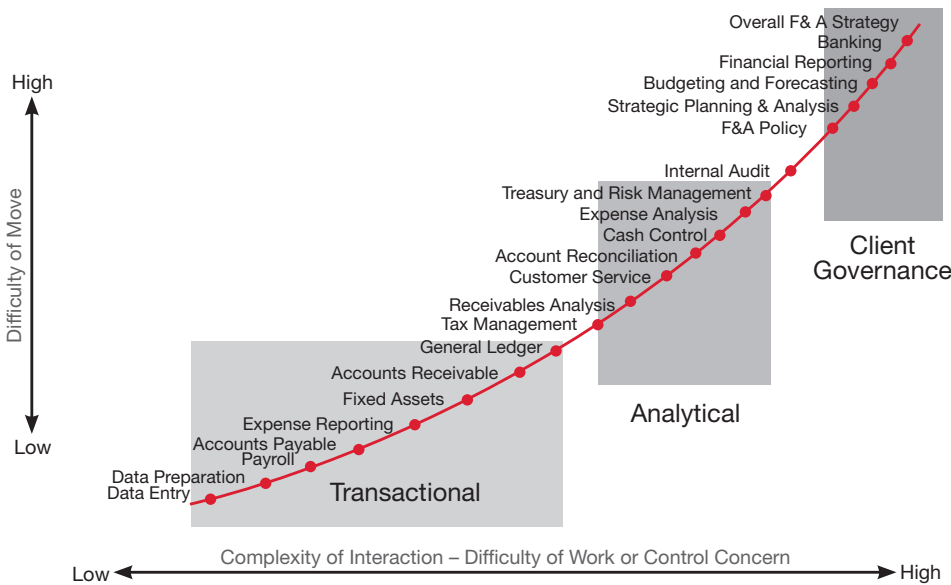

ACS provides analytical services that provide clients with a sharper focus on their business results. ACS' professionals work closely with clients, using their financial expertise to meet each client's unique requirements and objectives. Including:

- Tax Management
- Receivable Analysis
- Account Reconciliation
- Customer Service
- Cash Control
- Expense Analysis
- Treasury and Risk Management

CLIENT GOVERNANCE

ACS' Healthcare Payer division leverages the best human capital to help payer organizations improve financial performance. Our client governance services help position our clients to better meet their current business objectives and prepare for the challenges of the future.

- Internal Audit
- F&A Policy
- Strategic Planning and Analysis
- Budgeting and Forecasting
- Financial Reporting
- Banking
- Overall F&A Strategy
